

"A practical guide for teenagers, parents & teachers."

"You don't have to be Harry Potter to pass an exam, and really the magic is that everyone has the power to study, learn, listen, and work and the courage to believe that they will do well in life. I know for a fact that this book has certainly helped me believe in how easy taking exams can be when you put your mind to it. Well done; great book!"
-Toby Year 10
